ALUMNI COMMITTEE

Across the years, GIF's Shree Jaya Anand Commerce & Science Senior College Night has been graced with proud alumni. Every year, a large number of students graduate from our institution with high academic standing. Our institution has established an alumni committee that focuses on staying connected with our past students and organizing various activities for them. The majority of our alumni are placed in good companies and positions. They do assist our current year students by providing references. This is how our alumni assist current year students in becoming members of their organization. Their selfless services create a positive stigma for our current year students.

Unlike every other year This year, we have set December 11th, 2022 as the date for an alumni gathering. An alumni meet was held, and participants from batches 2017 to 2021 graced the occasion with their presence.
